people recover
CELEBRATE community HOPE

People can and do recover.

About the event

People in recovery from addiction to alcohol and other drugs, their families, friends, addiction treatment professionals, elected officials, and other allies will be coming together from across the Great Lakes Region on September 11th, 2021 to celebrate recovery as part of National Recovery Month.

We're excited to invite you to join us as a sponsor of the Michigan Celebrate Recovery Walk & Rally for our annual march and rally.

Join us in celebrating the reality of recovery and communicating the need for services and supports to make it possible for even more of our friends and neighbors to get the help they need to recover and give back to our communities.

Who participates

Individuals in recovery, their family members and friends, addiction treatment professionals, prevention professionals, and the many others who support healthy communities are all welcome!

The goal

Demonstrate to our friends and neighbors, policymakers, and the media that we can and do recover from substance use disorders, and that when we get well, it benefits our families, communities, and country.

Prevention works, treatment is effective and **people can and do recover.**

Join the voices for recovery.

Sponsorship Levels

	GOLD \$5000	SILVER \$2500	BRONZE \$1500	COPPER \$500	AMETHYST \$250

Recovery Month promotes the societal benefits of treatment for substance use and mental disorders, celebrates people in recovery, lauds the contributions of treatment providers, and promotes the message that recovery in all its forms is possible. **Recovery Month** spreads the positive message that behavioral health is essential to overall health, that prevention works, treatment is effective and people can and do recover. Your contribution makes it possible for these vitally important messages to be heard.

The Michigan Celebrate Recovery Walk & Rally celebrates and honors the successes of the millions of Americans in recovery from alcoholism and drug addiction. Join people in recovery, their family members and friends, addiction treatment professionals and others in speaking out about the reality of recovery.
