Walk & Rally

## About the event

People in recovery from addiction to alcohol and other drugs, their families, friends, addiction treatment professionals, elected officials and other allies will be coming together from across the Great Lakes Region in September 10th, 2022 to celebrate recovery as part of National Recovery Month.

We're excited to invite you to join us as a sponsor of Michigan Celebrate Recovery Walk & Rally for our annual march and rally. Join us in celebrating the reality of recovery and communicating the need for services and supports to make it possible for even more of our friends and neighbors to get the help they need to recover and give back to our communities.

## Who participates

Individuals in recovery, their family members and friends, addiction treatment professionals, prevention professionals, and the many others who support healthy communities are all welcome!

## The goal

Demonstrate to our friends and neighbors, policy makers and the media that we can and do recover from addiction to alcohol and other drugs and that when we get well, it benefits our families, communities and nation.

Prevention works, treatment is effective and people recover.
